

# **BEST KEPT VILLAGE COMPETITION - 2010**

All residents are encouraged to participate in this year's Best Kept Village competition as we attempt to improve on the Highly Commended Awards achieved in the last 2 years. Support from individuals or as a part of other village organisations is most welcome.

One key objective is to further enhance community spirit and stimulate pride in the village. Many aspects of our village life are highlighted below:

Further details are available in the Parish magazine, village notice boards, and website: <http://www.haughton-staffs.org.uk>. Updates will be made regularly to highlight activities including the Children's Poster Competition, Best Kept Garden and Natural Wildlife Habitat initiative in the churchyard.

All contributions, large and small, are appreciated. If you have any questions or require guidance, please contact any member of the Parish Council.
