

BEST KEPT VILLAGE **COMPETITION - 2012**

Following our unprecedented success in 2011 when the Community Council of Staffordshire presented Haughton with 3 awards, including the Best Kept Large Village in Staffordshire, we shall again be competing this year.

In addition, the children's posters earned a special award with a Certificate of corporate recognition from the Leader of County Council.

Many people contributed to last year's campaign and it is hoped that even more will become involved in 2012. This will result in even better community spirit, an improved environment for all residents and hopefully the chance of achieving further success.

Details will also be announced in April of our own Best Kept Garden competition.

If you are prepared to assist or just interested in the activities, please contact BKV Coordinator, Maxine Hutt, on 01785 780455 or a member of the Parish Council.

We have also entered Heart of England in Bloom with objective of improving on the excellent result of Silver Gilt Award in 2011.

Further details of planned events and the history of the competitions can be found on the village website:
