

HAUGHTON – HIGHLY COMMENDED

A big THANK YOU to everyone who contributed to Haughton's entry into this year's Best Kept Village competition.

Your efforts are reflected in the Highly Commended award from the Community Council of Staffordshire.

Probably, even more important is the positive impact on the village in which we live and the pleasure obtained from a litter free environment and well maintained gardens, verges, flower borders etc.

Please continue the support in order that this high standard is maintained.

Haughton Parish Council
