Best Kept Village Competition

2018

July 2018 Newsletter

The first and second round of judging for the 2018 BKV has now finished, the next round is the Area Finals which are held between 25 June and the 8 July.

The summer bedding has now all been planted and the borders along the main road will soon look very colourful. As usual many thanks to our sponsors and our core group of volunteers; we will always welcome new volunteers who can help in any way.

The dry weather has meant that none of the Tidy Up sessions have been cancelled, however the down side has been that with no rain the beds and borders all need a lot of watering. If you live near a flower border and can spare a gallon of water occasionally I am sure the plants and the volunteers who planted them would appreciate it.

Don't forget the Best Kept Garden Competition which takes place in July. It is free entry and gardens are judged from the public footpath. Vouchers are given for the best gardens and hanging baskets.

Our BKV Awards Evening will again take place in August when drinks and nibbles are provided to thank our sponsors and volunteers for all their hard work. At this event the awards for the Best Kept Garden and Hanging Basket Competition will also take place. Everyone is invited.

Recently several dogs have been seen on the children's playing field. Can we remind everyone that no dogs of any size are allowed on in this area. (Guide dogs excepted). Also, would all dog owners please ensure that they use dog bags and dispose of the contents in waste bins.
