

BEST KEPT VILLAGE & HEART OF ENGLAND in BLOOM Update

JUNE 2012

It has been a very busy time since the last report in May with focus on the appearance of the village heightened by the Olympic Torch passing through the village and the Jubilee celebrations.

New planters have been installed at the Village Hall to further enhance its appearance.

The regular litter picks continue to attract a high level of support from a broad cross section of the community.

The summer planting of beds and tubs has been completed and a magnificent display is anticipated as new plants blossom.

Media coverage of the village has been gained in the Stafford Newsletter and Express and Star but special thanks go to the latest Village Voice publication which had four articles on Haughton's activities.

A photograph of the Olympic Torch passing St Giles Church is shown.

The Jubilee Supper Dance in the Village Hall was a sell out success and epitomised the community spirit surrounding this unique occasion.

Attention now moves on to our own Best Kept Garden competition which will be judged by the Garden Guild in July and results announced at a special Awards Evening in August.
