Children's Poster Competition

Once again the pupils of Haughton St Giles Primary School have supported the BKV initiative by producing a large number of interesting, varied and colourful posters. The 140 posters have been judged and have now become an impressive display on the fence at the Village Hall. The children's work demonstrates their awareness of many environmental concerns, including recycling, sourcing food locally and composting. The posters will remain on display for the duration of the BKV competition. Please show your appreciation of the children's efforts by taking a look at their thought-provoking art.

Come rain or shine ...

New recycling waste bin

This bin is situated between the butcher's shop and the village notice-board. Recyclable items can be placed in one section and general waste at the opposite end. There is even a special place for cigarette ends. A similar bin can be found at the playing field.

To help in the campaign please contact any member of the Parish Council

Best Kept Village Judging

The 1st round of judging is from 1st May to 16th June.

No one knows when the judges will appear - and that helps to keep us all on our toes!

Please help by keeping your area as neat and litter-free as possible.
