Our Village

H Houghton Houghton,
The fields are always green.

A We are very interesting,
And love to keep it clean.

O Houghton Houghton,
Is the best,

N Out of them all,
You are our guest.

U Houghton Houghton,
We like ice cream,

G From the farm,
It is a picturesque scene.

H Houghton Houghton,
Lots of country lanes.

T Past the houses,
And their glinting window panes.

Hopeful Haughton

Haughton is got you to be,
Its where everybody lives you see.

Your 'll see the flowers bloom,
Your 'll see the bees zoom.

Your 'll smell the beautiful air,
With dancing grass everywhere.

The park is full of joy,
For you and your friends.

The icecream farm is where everyone
will be,
My mum works there you will see.

I love the shop,
The people are all nice.

You will see the lights
when you drive through Haughton.

Haughton is the place to be,
Its where everybody lives you see.
